Mogoo

A semi-sitting stool specially designed to promote dynamic and active seating. The optimal support surface and the rounded base allow the user to tilt and swivel in all directions while sitting. It is designed to fit any interactive classroom, lab, studio, waiting area, counter, testing room and production floor.

Mogoobers

Mogoo users (Mogoobers) range from kids to fun-loving adults. We offer 4 different sizes to accomodate all those in between.

Portability

Mogoo's light weight and handling groove (under the seat pan), make it very portable.

Colours

Specifications

- A Seat**
Padded with EPDM foam with optional 4 eye-catching colour rings.
- B Height Extendable Body**
A 75mm extension collar for different height requirements.
- C Base**
300mm diameter case with anti-slip TPE rubber for excellent floor grip

Mogoo-fi

Who says your office or factory space has to be a mundane environment? Our tall Mogoo can liven up your workday, be it in a group interaction meeting, or behind your work desk. With its portability and uninhibited stature, Mogoo invites interaction amongst users. Most modern office life occurs in a stationary seated position, despite our body's design for movement. Free your inner child and experience Mogoo's fun and dynamic nature.
