flex-back visitor
Model 531 NA A60 B

Stick is a simple-to-operate task chair for the office. It provides a basic support for our body throughout a full day's work. The lightweight design gives *stick* free & easy mobility, making it especially suitable for studios, service counters, labs and mobile offices.

specifications

Stick's Backrest can recline up to 30 degrees. A backrest hinge allows 10 degrees of free pivot to fit your back as you recline.

With just a simple press to the button, the armrest can adjust for 9.5cm in height. The armrest can also slide within 6cm in depth and swivel into 3 angular positions and 6cm in width.

A breathable polyester mesh suspension provides improved back ventilation, to give exceptional thermal comfort. Choice of mesh colour - Black, Dark grey and Blue.

Studio base allows extra clearance for your feet movement. This standard base is moulded of polypropylene in black colour.
